Letter of Recommendation

To whom it may concern,

It is my pleasure to recommend **Mr. Vedant Padole**, Ref.No: SMM222322415 for all his future endeavours. He worked with us as a **Machine learning Intern** from **01st Sep 2023** to **01st Oct 2023**. He was a dynamic thinker and a keen learner with commendable knowledge of the subject matter. He is an appreciable performer with a strong work ethic.

Mr. Vedant Padole showcased his core values through his creativity and perseverance in all the tasks and projects assigned to him. One of his matchless talents is to grasp technically strenuous material on his own and come up with genuine and striking ideas. Due to his hardworking nature, he achieved veritable development in our professional environment.

To conclude,

Mr. Vedant Padole was a pleasant addition to our team. I can't give a stronger recommendation to another intern. Please feel free to contact me if and when necessary. You can call me at +917020044091 or email me info@suvidhafoundationedutech.org. Thank you for your precious time.

Best Regards

Yours Sincerely
