# Letter of Recommendation

Date: 12th December, 2023

To Whom It May Concern:

It is with great pleasure that I write this Letter of Recommendation for **Mr. Vedant Padole** from Shri Ramdeobaba College of Engineering and Management, who worked under **Feynn Labs Services** as a **Machine Learning and Data Analysis** Intern for a period of two months from 1st May, 2023 to 30th June, 2023. During this period, he has been very capable in handling all the assigned tasks and projects.

Mr. Vedant Padole is very passionate about solving real world problems through the use of Machine Learning and Data Analysis. He is very creative with his product/service ideas, but also keeps in the mind the real-world constraints under consideration in the prototyping phase.

He presented excellent ideas in his AI Product/Service Prototyping Project. He also coordinated well with his teammates in Market Segmentation Project.

He is adaptable as work circumstances and situations change. He will be an asset to any Market Analysis team due to his wide range of Machine Learning and Data Analytics skillset.
In addition to above, Mr. Vedant Padole is dedicated to providing quality work. He strives to make his project reports and codes as thorough and detailed as possible. His enthusiasm serves to motivate everyone on his team.

Overall, Mr. Vedant Padole has a very strong foundational knowledge, with an undeniable passion for the field of Machine Learning. I am positive that he will prove to be an asset to any University he is a part of and therefore, I strongly recommend Mr. Vedant Padole to your esteemed University and wish him the best in the same.

Sincerely,

Sanjay Basumatary
